Sample Botswana Itinerary

9 DAY TRIP

Stop 1 - 3 nights in Linyanti Wildlife Reserve

Spend your first nights in this private concession in a wonderfully underused area just east of Chobe National Park. Due to its remote location each corner is bursting with game which you can view on game drives, boat rides, and walking safaris. Avid bird enthusiasts will be in awe as thousands of exotic birds migrate to this region during the green season.

Stop 2 - 3 nights in the Okavango Delta

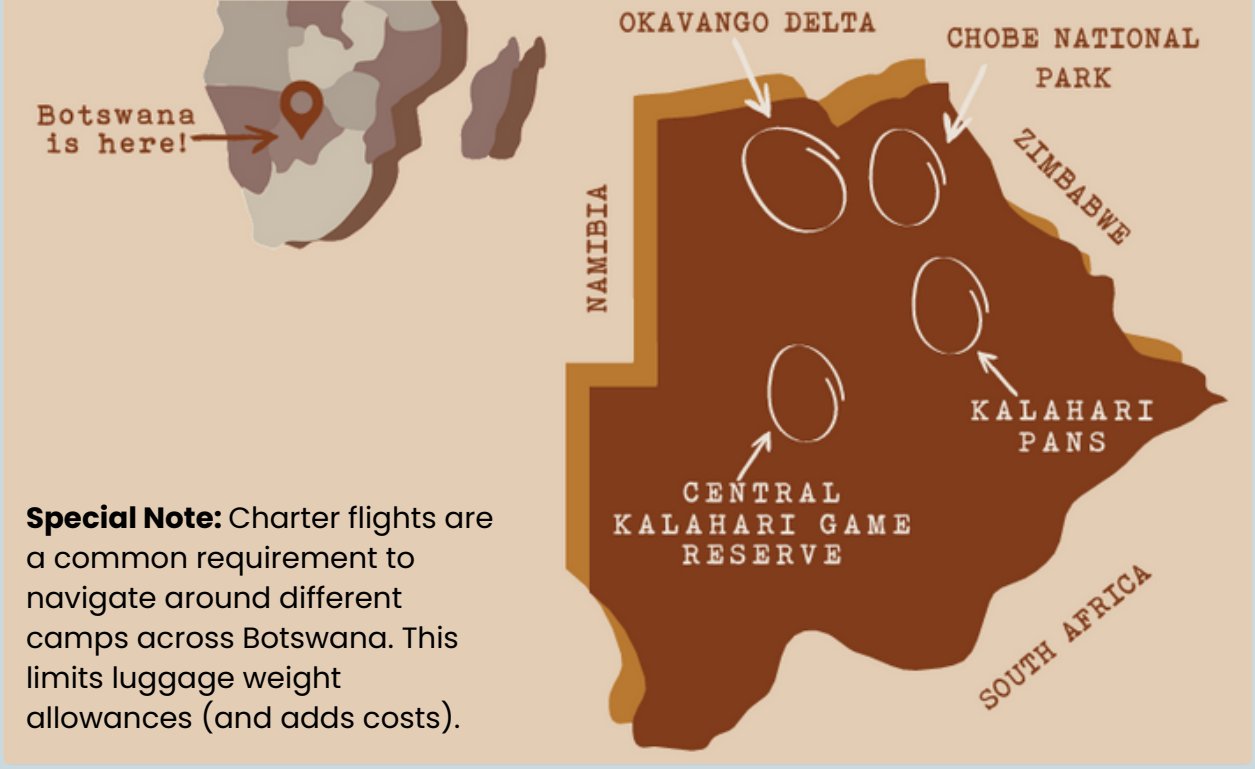

Discover the famed Okavango Delta, a UNESCO World Heritage Site and the largest inland delta on Earth. Through careful wildlife management it is one of the best places to see wildlife in their natural habitat in Africa. The floods come in around May and last through August, allowing guests the experience of gliding along on a “Mokoro” (traditional dug-out canoe) safari.

Stop 3 - 3 nights in the Moremi Game Reserve

The oldest protected reserve in Botswana, it primarily pertains to the central and eastern areas of the Okavango delta, the former royal hunting grounds around Chief’s Island. Often referred to as a ‘Garden of Eden’, the combination of drier areas and waterways leads to astonishing contrasts and year-round game viewing.

TRAVEL Julia’s WAY
